

THE PGA NATIONAL CYPRUS

With stunning views of the Mediterranean Sea and an exquisite setting amongst natural vegetation, Aphrodite Hills Golf is paradise for the golfing enthusiast. A game of golf here is a journey that begins with enthusiasm and ends in immense satisfaction.

The award-winning golf course was officially opened in 2002 and was designed by the acclaimed architect, Cabell Robinson. Robinson has designed Aphrodite Hills to be the perfect mix of challenging bunkers, manicured fairways of lush Bermuda grass and generous tiered greens spreading over 6,289 metres.

Visually spectacular, the course expands through indigenous olive and carob trees and is built on 2 plateaux, separated by a dramatic ravine with outstanding views over the Mediterranean. With 5 tees per hole, it's a course suitable for both advanced and intermediate players.
